All Taxpayers Should Read the Following

Requirements and comply With Them

Title 36, Section 706 of the Revised Statutes of Maine, 1964 requires the Assessors to give notice to bring in lists of taxable property; if no lists are brought in, NO CLAIM FOR ABATEMENT.

In accord with the above, all resident and non-resident taxpayers are hereby requested to bring into the assessors true and perfect lists of their polls and all of their estates, real and personal, as of April 1, 1968.

The polls of all persons who have attained the age of 70 years are exempt under Title 36, Section 654, of the Revised Statutes of Maine, 1964.

NOTICE

The assessors will be in session at the Municipal Offices on the 4th and 5th of April, from 7 P. M. to 9 P. M. for the purpose above stated.

NOTICE OF STREET REQUIREMENTS

Any property owner who is planning to hot-top a driveway connected to any highway should contact either the Road Commissioner or the State Highway Supervisor according to jurisdiction. It may be necessary to correct a drainage problem or to prevent a condition which might be objectionable or hazardous to traffic.

Anyone planning a street with the intention of requesting the town to accept it as a public way should first obtain information as to the requirements of the town as to width of right of way, construction and drainage, etc.

ELIOT FIRE DEPARTMENT ANNUAL REPORT 1967

I herewith submit my annual report for the Eliot Fire Department.

At this time I wish to thank all of the town officials for their cooperation with our department. We are indeed fortunate that our municipal officers work so well together for the welfare of our town.

The Fire Department officers for 1968 are:

Chief	Elwyn G. Zamarchi
Assistant Chief	Robert McIntyre
Captain	Walter Hoyt
Lieutenants:	Donald Webber, Raymond Bilodeau, Douglas Spinney, Irving Cummings, Gerald Moynahan
Secretary	John Burridge
Treasurer	Ernest Hoffses

Trustees: Wilbur Durard, True Bailey, George Shapleigh

There was a total of 51 fires and emergency calls during the fiscal year. This total "break down" as follows:

House and Building Fires	9
Grass and Brush Fires	11
Car or Truck Fires	5
Chimney Fires	4
Oil Burner Fires	3
Electrical Fires	3
Mutual Aid (out of town)	5
Miscellaneous	11

We also issued 310 burning permits.

Due to the outstanding work of the Road Commissioner and his men, we were not called out for

any dump fires this year. This has netted the town a savings of between seven to eight hundred dollars.

I wish to thank the committee in charge of "Sandy's Fire House Frolics", Sandy MacDonald, and everyone else who helped to make the "Frolics" a success. The proceeds from these entertainments have enabled us to purchase some much needed equipment for our department.

From the proceeds of two **Sandy's Fire House Frolics**, we have purchased a new pick-up truck — Engine 5 — which we expect to be delivered by Town Meeting time. We are donating this truck for fire department work to replace the second-hand 1953 pick-up truck, which we also purchased and which has been a great service to the Department.

The Eliot Fire Department has at present four (4) pieces of equipment.

Engine 1— a forest fire truck, 1946.

Engine 2—a 1965 750 G. P. M. Pumper, (the only piece of equipment which we have that is recognized by the Fire Underwriters).

Engine 3—a 1952 G. M. C. Tank Truck.

Engine 4—a 1942 Mack Pumper—this pumper was a naval surplus truck purchased in 1961. Parts for this truck are expensive and difficult to obtain. We believe that this 26 year old truck should be replaced this year.

There are two (2) very critical situations which we feel should be brought to the town's attention. The first is the **Red Phone System.** Some solution to this problem must be found very soon. Perhaps more phones or possible relocation of the present ones might be the answer. The second situation concerns a Man Power shortage. This is a problem which we have in common with surrounding towns. This shortage occurs during the summer months when

men are working out of town and families are spending more time at camps and other vacation spots. We must find some way to obtain the necessary help when needed.

During the next two or three years, the Kittery Water District will be changing over all hydrants in Eliot, Kittery, and Kittery Point. This change-over will be the replacing of the present section to National Standard Thread. This means that our Department must change all of its present 2½" hose couplings and fittings, adaptors, and nozzles. This was a part of the Fire Underwriters suggestion to Kittery.

Two new "Dry Hydrants" have been installed this year. One is at a pond on Governor Hill Road and the second at a pond on Beech Road. A third hydrant was planned for a pond at the Eliot-So. Berwick line, but needs more work done on it before it is finally completed. We hope to obtain money enough to install a few more "Dry Hydrants" this year.

Out of 51 calls our Department had this past year, two were very critical. One resulted in the death, from severe burns of an older person, and in the other, three children were badly burned.

There is definitely a need for ambulance service in our town. I do not believe that we can, at present, support a service of our own; but it would, it seems to me, be practical for us to join with one of our neighboring towns or group of towns to obtain this service. Under a plan of this type, each town could be assessed a proportionate sum for the operating costs—salaries, insurance, and maintenance.

Because of the increase in the number of home swimming pools, the Selectmen and the Fire Department will be in no way involved with the process of filling these pools, such as the use of tools, hose,

or other equipment. It is felt that this service would tie up manpower and equipment when it should be available for fire fighting and other emergencies.

The Ladies Auxiliary Officers for 1968 are:

President	Mrs. Helen McIntyre
Vice President	Mrs. Eleanor Zamarchi
Secretary	Mrs. Charlotte Hinds
Treasurer	Mrs. Stella Moynahan

They sponsored a Teen-Age Dance, a White Elephant Sale, and a Neighbor's Night. They served refreshments at the "Sandy's Fire House Frolics" and the Firemen's Annual Ball. They also visited other Auxiliaries in the area.

Their services have included the purchase of a siren and red light for the new pick-up truck—Engine 5, a Pot Luck Supper for the firemen, and at Christmas time, they sent one hundred (100) paperback books to the servicemen in Vietnam.

Respectfully submitted,

ELWYN G. ZAMARCHI

REPORT OF THE ELIOT POLICE DEPARTMENT

FOR THE YEAR 1967

It is my privilege to submit the following report to the citizens of Eliot.

During 1967 the Department investigated and processed 1169 complaints of various nature which included motor vehicle violations. Vandalism and malicious mischief complaints were down considerably from last year, however, Breaking—Entering—Larceny cases were higher. There was a total of 19 such cases this year with the majority of them solved, resulting in subjects being apprehended and court action taken.

Again most of the Juvenile problems were handled within the Department. A few exceptions warranted court action. It is my theory that by handling workable Juvenile problems ourselves, we lessen the probability of these youth becoming involved in more serious trouble later on. All cases are carefully screened. In situations when children have been apprehended setting fires, Chief Zamarchi and I have worked together. The school officials of SAD 35 have cooperated in every way on some of our youth problems.

There were 47 accidents investigated by the Department last year. Again I regret having to record an accident occurring on Rt. 103 which took the life of one of our older citizens, Mr. Harold Staples. Our sympathy is extended to his wife and family.

My appreciation goes to the area Police Departments for their assistance whenever situation warranted. The Bordering Town Plan which provides for swearing in of officers in each others town strengthens the usefullness of each Department and makes for better law enforcement.

I find that public relations between the citizens of Eliot and all departments is commendable. It has certainly been a pleasure working and serving with these departments and it is gratifying to see everyone working for a better community.

In conclusion I want to thank the officers of the Eliot Police Department for their efforts, also the Maine State Police, the Selectmen, and all citizens who have supported this department during the past year.

Respectfully submitted,

CARL S. VITTUM

REPORT OF THE ELIOT HEALTH COUNCIL

To The Board of Selectmen And Citizens Of The Town of Eliot:

The Eliot Health Council holds a Well Child Conference on the fourth Thursday of each month where children up to school age are given immunizations for Small Pox, Diphtheria, Whooping Cough, Polio, Tetanus and Measles. This is given for a nominal cost. Physicals, advice to mothers, lazy eye test to preschoolers, pamphlets on nutrition and childhood problems are given free.

A test for TB was given by the school nurse with the help of the Health Council to 80 students.

A total of 220 physicals were given; 147 to high school athletes, 35 to grade 3 and 38 to grade 6.

Visual Acuity Tests were given to all grades from sub-primary through the 6th grade.

At the Diabetic Clinic held in November for anyone in town, 220 children and 119 adults were tested, a total of 339.

There have been many calls from our Loan Closet where we have hospital beds, crutches, canes, walkers, wheel chairs and other things needed for sickness.

This year the Health Council arranged for Dr. Gravallese to give Stannous Fluoride treatments. A total of 242 were treated; 223 children, 2 teachers and 17 preschoolers. A movie was shown about proper dental care and a dental kit was given to 3rd and 4th grade children.

The Eliot Health Council is grateful to Dr. Conroy, Mrs. Clement and all who have helped to make this year a success.

On March 30, 1967 an immunization clinic for measles was held, this is the first time we have had a measles immunization clinic in the schools, and the Department of Health supplied the vaccine free of charge for the town. The results of the clinic are as follows: Immunizations given — Primary school 38; Pre school 7; High school 18.

The annual immunization clinic was held on May 4, 1967. Immunizations were given by Dr. Conroy, and are as follows:

High school — diphtheria tetanus 13, Small pox vaccinations 4, Polio 7.

The following contagious diseases were reported this year:

Chicken pox—53, German measles—7, Mumps—11, Scarlet fever—2, Strep. throat—18.

The State Department of Health and Welfare approved the reappointment of Daniel Kroska as

plumbing inspector for the town, and Elwood Zamarchi as alternate plumbing inspector.

I would like to thank Irva Hinds, R. N. school nurse, for the help she gave with the clinics held in the schools this last year.

I am always ready to help those people in the town with any complaints or health problems, if they will bring these matters to my attention.

REPORT OF THE LIBRARIAN

The librarian submits the following report to the Selectmen and to the Citizens of the Town of Eliot: First as to statistics:

1967 registration of new patrons	107
Books purchased	302
Memorial books	49
Gifts of books	7
Circulation of books	11,058

Memorial books were given in memory of Mrs. Freida Allen of Philadelphia and Mr. Arnold Hill of Eliot.

Contributions were given to the Library Memorial Fund in memory of Mr. John W. Staples and Rear Admiral John B. O'Neill.

The Story Hour Program with the cooperation of the Eliot Primary School was continued this year until the summer vacation. When school opened in September it was necessary to cancel the program due to inadequate help at the library. This situation has now been corrected with the assistance of Mrs. Walter Hilt. The program has been rescheduled for the first four grades. In the spring there will be library visits arranged for grades five and six.

The Friends of the Library continue their loyal support. They hold four meetings a year. Their programs are interesting and informative. This year two well known authors were guest speakers. The public is always invited to attend. Membership is open to all.

The William Fogg Library is open 15 hours each week to the residents of Eliot. Many people use its

services regularly, yet there are many more who do not. Do come in and enjoy your library.

Annual Report of the Trustees

The Library was operated during the last year without significant change. The librarian Miss Worster, the custodian Mr. Pierce, and the part time assistants Mrs. Hilt and Miss Allen again merit praise for the useful, attractive Library that they operate.

The storms this winter have made it clear that repairs to the Library roof will have to be undertaken in the near future. The Trustees are also concerned with the condition of the Fogg house and hope to have it painted next summer.
